

“After the Facts”-4 Chief components!

Motivation: “ is a condition inside of us that desires a Change and when you tap into that “Well of Energy” - that drive & direction within yourself is engaged-causing you to excel”.

Self-Preservation: Will generate a “Stop-&-Think” mentality, which answers the “?” what will happen to me? (the natural instinct to protect “Yourself” first). *If A:
Then B: = Analytical & Critical Reasoning

Knowledge: acquired Facts & Information. Equivalent:

knowing how “Hot-&-Deep” the water is—(Before u jump in)

Consequence: the result, process or effect of an action.
